

Making a simple change to your will.

A codicil can be used to add to, vary or revoke the provisions of a previously made will. If you live outside the UK please speak to your legal adviser.

Should you wish to do so, you can add a legacy gift to the Woodland Trust to your existing will, by completing this form. We strongly recommend you seek legal advice from a qualified professional such as a solicitor, if you have any questions or wish to make any other changes to your will.

Please note that if you change your mind after a codicil has been signed and witnessed, under English law you should either make an additional or revocational codicil.

Once you have completed this form, you will need to send it to the solicitors who hold your will, or store it with (but not stapled, clipped or pinned to) your will.
